DEDICATION

When he passed away on September 1 the first feeling of us all was incredulity—we couldn't believe a friend so energetic as Mr. Brewster could ever be even ill. Our second feeling was one of irreplaceable loss: What could the college do without him? the president? the faculty? the students? especially the veterans? Only later when our minds had adjusted themselves somewhat to the stunning shock of his almost sudden death could we begin to list the qualities for which we had liked and honored him.

As a student in Howard College Lent Brewster had the advantage of catching the public eye and winning wide popularity by his fine career in varsity football. For fourteen years after his graduation in 1926 he traveled widely over the state as an insurance salesman and manager. Everywhere he made friends, so that when he came to Howard in 1940 as Assistant to the President he had a fine backing of goodwill to start with. His duties in Howard were so varied that he met sooner or later, and generally often, every person who worked or studied in the college. As he gained experience among us he palpably grew in human wisdom and in a tolerance to match the increasing dignity of his standards.

Integrity was in his very nature—fairness to students, colleagues, and all who had business with the college. And he accepted his myriad duties and met the endless calls on his time day and night with astonishing patience and endurance.

Loyalty like integrity was in his nature. For more than twenty years Lent Brewster was one of the most active and useful of alumni. He felt a bond with every person who ever gave an hour's time to Howard College.

If one word could sum up what was good and fine and challenging in so good a friend it would be FAITHFULNESS—faithfulness in friendship, in his home, in his church, faithfulness to all his standards of conduct and honor, and a magnificent faithfulness to the college he loved and to which he gave the best that was in his life.

P. P. BURNS

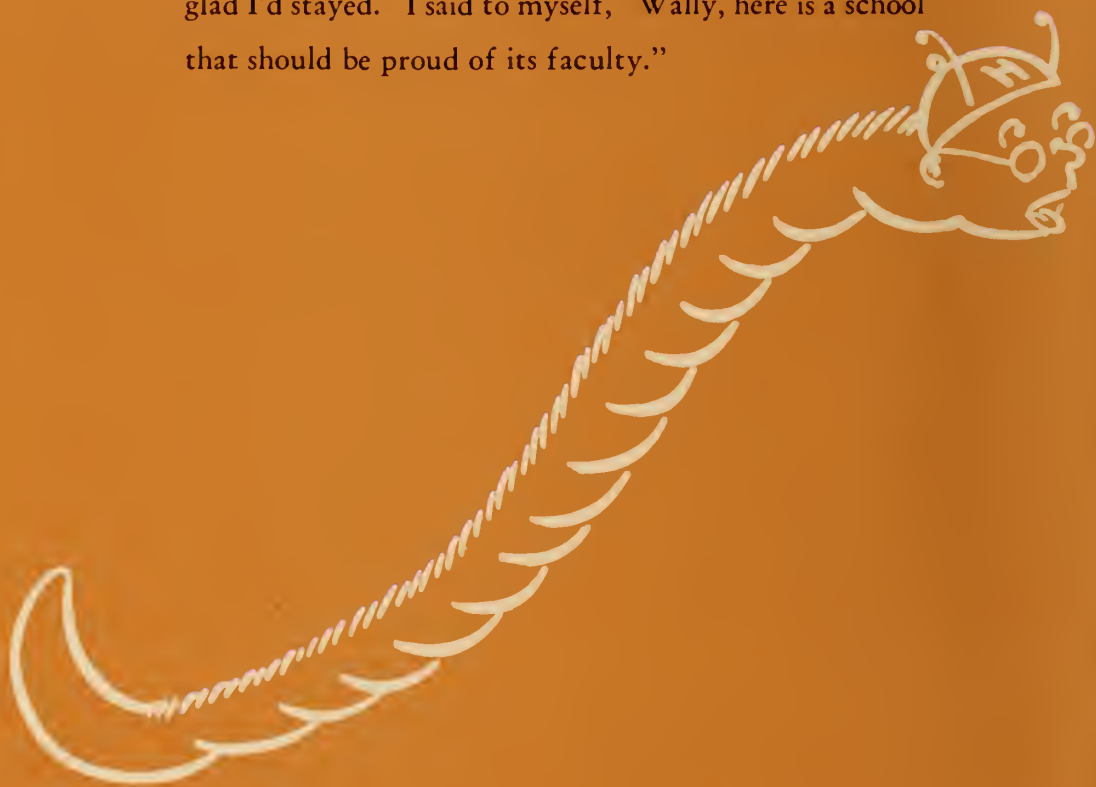

Mr. Brewster chatting with Dean Burns.

The College

As I, Wally Worm, bored out of my hole and peered around early in September I saw a semi-circle of aged white buildings, blinked my eyes and started to go back in my hole. But as I crawled about to look at things a little more my gaze fell upon some cultured men and women hard at work getting things ready for the opening of school and the arrival of the students. So I decided to stick around and see what happened. I found that these professors and staff members were always willing to pause in their busy walks of life for friendly chats with students. All these things made me glad I'd stayed. I said to myself, "Wally, here is a school that should be proud of its faculty."

MAJOR DAVIS

THE PRESIDENT

In July of 1939 Howard College welcomed her nineteenth president to the campus. Major Harwell G. Davis was born in Marengo County, Alabama. At the University of Alabama he earned his LL.B. degree and was a member of Phi Beta Kappa scholastic fraternity, and Omicron Delta Kappa, leadership society. In later years he was honored with an LL.D. degree. After graduating from the University, Major Davis practiced law in Thomasville. In 1909 he moved to Gadsden to continue his practice. During the First World War he rose to the rank of Major, was wounded in France, and was cited for gallantry in action by General Pershing. Following that war, he served our state as Attorney General and U. S. Collector of Internal Revenue.

Not only has Major Davis succeeded in leading this college to stand for higher Christian and scholastic principles, but has done much to improve Howard's physical beauty and to formulate plans for a future campus.

OLD MAIN

THE DEANS

The story of Dean Percy P. Burns is the story of "local boy makes good". He was born in Jemison, Alabama, the son of a Baptist preacher. He graduated from Howard and earned his M.A. degree at Harvard. He has done further study at the University of Chicago and holds an honorary degree, Litt.D., from Mercer University. From 1904 until 1911 Dean Burns taught English and Latin at the South Carolina Co-Educational Institute in Edgefield, S. C. In the fall of 1911 he came to Howard as acting professor of English, and in 1912 he was made professor and head of the department of English. He was also commandant of the Howard Cadets. Among numerous other services to Howard College, Dean Burns has been registrar of the college, dean of students, and since 1921 Dean of the College. The old saying, "Don't leave Howard without taking a course from Dean Burns," is proof of his prestige among the heart of Howard—the students. Truly he has done much to make Howard College the institution that it is today.

DEAN BURNS

DEAN DALE

Dean William P. Dale II, a native of Kentucky, stands as an example of a man imbued with extraordinary courage to students at Howard College.

At an early age he moved with his family to Hale County, Alabama, where he entered grade school. He received his high school training at Marblehead, Massachusetts. Dean Dale attended the Delta State Teachers College for two years and then transferred to Duke University where he earned three degrees, B.A., M.A., and Ph.D. While at Duke, he became a member of the Kappa Alpha social fraternity, the 9019 local scholastic fraternity and Phi Beta Kappa national scholastic fraternity. He came to Howard as professor of history in 1941 and was appointed Dean of Men during his first year here. Since coming to Howard, he has done post-doctoral work at the Harvard Graduate School of Education.

Is it any wonder that his associates contradict him when Dean Dale merely says of his honors and achievements that he is "a Baptist and a Democrat."

DEAN SELLERS

Miss Evelyn Sellers came to Howard College in the fall of 1947 to fill the position of Dean of Women. She also undertook the enormous task of keeping the calendar of student activities in perfect order. She could never be surpassed in the efficiency with which she has executed her duties.

Miss Sellers received her A.B. degree at Howard College and during her years here was president of Alpha Delta Pi Sorority, a member of Beta Pi Theta, honorary French fraternity, and winner of the Hypatia Trophy, presented to the woman member of the Senior Class who shows outstanding leadership ability. Dean Sellers studied further at the University of Georgia where she was assistant Dean of Women and where she later became Director of Women's Activities. At Columbia University she earned her M.A. degree.

THE STAFF

MR. BURTON

"I think he is the friendliest man I have ever known," said one Howard student in speaking of Mr. J. G. Burton, Howard College's business manager. Mr. Burton hails from Jasper, Alabama. For thirteen years he was connected with the bank in Jasper and rose to the position of Assistant Cashier. Leaving the banking business and entering politics he was elected mayor of Jasper and maintained that position for another thirteen years. Mr. Burton has also been in the building business. In Jasper, Mr. Burton was for six years chairman of the Board of Deacons at the First Baptist Church where he also taught a men's Sunday School class for nine years. Mr. Burton came to Howard as Business Manager in 1948.

MRS. KIRKLAND

The entire student body of Howard College is deeply indebted to Mrs. Helen Sharbut Kirkland for her countless service to this college. Especially is she thanked for her genuine interest in everybody's schedule and for her untiring efforts at making registration as painless as possible.

Mrs. Kirkland is a graduate of Howard having received her degree in 1942. During her undergraduate years she worked as an assistant in the Registrar's Office, was a member of the Y.W.C.A., and belonged to the Booklover's Club. After finishing Howard, Mrs. Kirkland worked for one year as a service representative for the Bell Telephone Company. In the summer of 1943 she came back to Howard as Registrar of the College. Since this time she has become an honorary member of the Beta Sigma Omicron Sorority.

MEMBERS

MRS. HAMRICK

The favorite saying of Mrs. J. D. Hamrick, hostess of Renfroe Hall is, "It's the little things that count, girls." For her girls Mrs. Hamrick can always be depended to do not only the little things but other numerous things that likewise count toward making Renfroe possess a homely atmosphere.

Mrs. Hamrick, born in Trusville, Alabama, came to Howard in 1936 as housemother of the girls' dormitory. During her first two years at Howard, besides being hostess, Mrs. Hamrick was field worker for the college and was employed by the Southern Baptist Sunday School Board as an approved elementary worker. In the capacity of this latter position she went throughout the South to lead conferences for workers in the elementary age groups in Sunday School. After resigning from every job but hostess of the dormitory, a woman-sized job in itself, Mrs. Hamrick, better known as "Hammie", centers her interest on girls and hooking rugs.

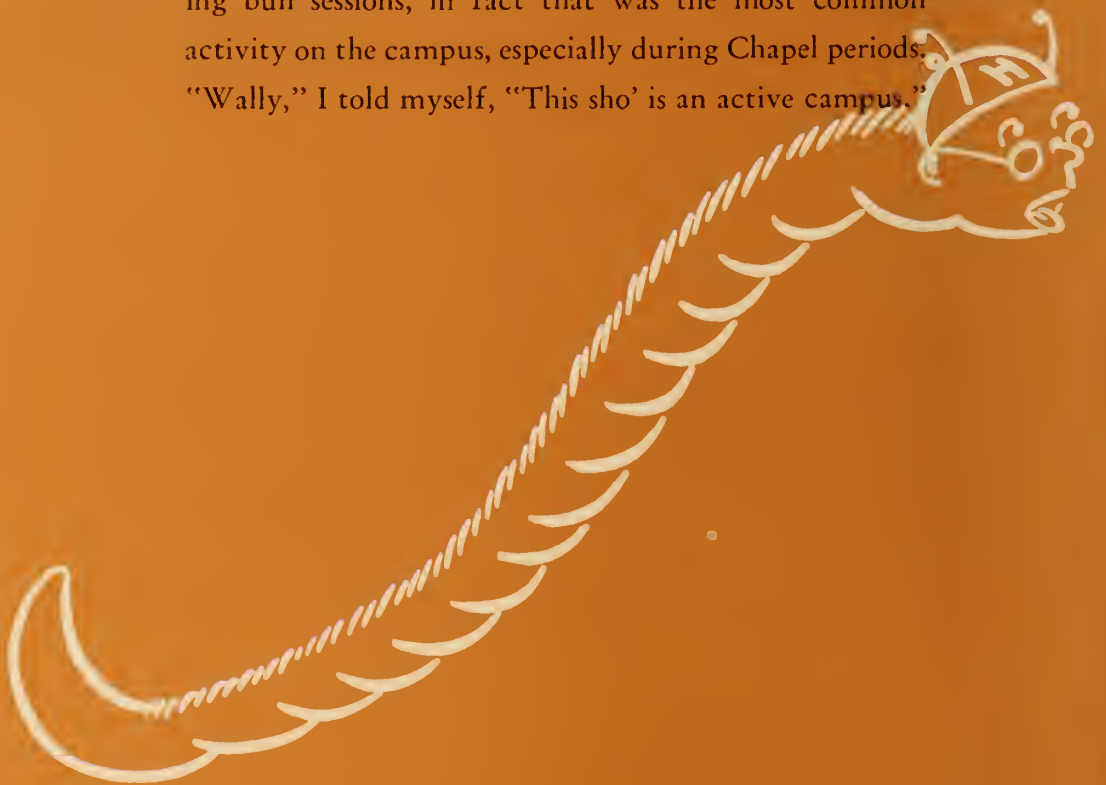

MRS. RUSSELL

Mrs. B. D. Russell, the dietician at Renfroe, has lived a life of constant moving since she came to Howard in 1940. When she first came, Mrs. Russell was the dietician at Smith Hall, former girl's dormitory where East End Hospital is now located. Next she moved to "Inflation" where she served as housemother as well as keeping her duty of dietician. At this time the Dining Hall was located in the building which now houses the home economics department. In the fall of 1946 she moved again. This time to Renfroe where she still resides. Her main interest is cooking and her hobby, like that of Mrs. Hamrick, is hooking rugs.

Proof of Mrs. Russell's good cooking is evidenced by wails of dormitory girls when they see weighing scales tip upward. It is true that divorced from "Russie", the dormitory would collapse.

Activities

Viewing the campus I saw several people, evidently editors of the various publications, always hurrying as if it were their last breath muttering something about beating a deadline. They must have met them because everything came out on time, except the Student Directory, but the word was that the A.P.O.'s had a hard time this year. Another busy group was the Student Senate. Their main worry was something about balancing a budget, which reminds me, my Uncle Squirmy Worm had a balancing act in a circus once. One activity which everybody enjoyed was that of having bull sessions, in fact that was the most common activity on the campus, especially during Chapel periods. "Wally," I told myself, "This sho' is an active campus."

OFFICERS

EARL BUTLER *President*

ANSEL SHARP *Vice-President*

JOYCE GRIFFIN *Secretary*

JACK GREEN *Treasurer*

ARCH STOCKARD
----- *Student Auditor*

THE STUDENT

"We strive for unity, democracy and education," might well be the motto of Howard's student government.

The Student Senate has completed one of its most successful years in Howard College's history after sponsoring a party for new students on the first night of the fall quarter, the Red Feather Campaign in which contributions exceeded that of years past, two plays, "The Corn is Green" and "Importance of Being Earnest" and elaborate H-Day program in the spring quarter. The Student Senate also took part in producing the Howard Stunt Night at the Gay Nineties Party.

As leader and coordinator of Howard's student activities, the Student Senate offers the most sought after positions each May, when elections are held for student officers. Four senators representing the Senior Class, three senators from the Junior Class, two senators selected by the Sophomore Class and one senator from the Freshman Class are elected by the popular vote in respective classes.

SENATORS AT WORK

STUDENT OFFICERS ARE SWORN IN

The president of the student body presides over the Student Senate while the vice-president, secretary, treasurer, editor of the "Bull Pup", all class presidents, and the student school auditor attend meetings and vote as senators.

...THE 1949

Your 1949 ENTRE NOUS is the product of blood, sweat and tears (ministerially speaking) of several people on and off our campus. To these who have worked so faithfully and dilligently we give our praise and thanks.

When I decided to run for editor I knew that it was a big job but that wasn't the half of it—friend, this little book requires more work than you'd ever believe. But in spite of the work and worries, editing the ENTRE NOUS has been a privilege and a pleasure.

Helping bear one of the big burdens was Jack Green. Jack did a good job of collecting from the organizations for their pages, and turned out good copy for their write-ups, even if I did have to kick his teeth out to get him at it. Also connected in the writing was Jiggs Stivençer, who did the sports section. Jiggs did a fine piece of work and deserves the praise of us all. Without the help of Beverly Knight your editor would have been lost in a maze of wordy sentences many times. Beverly, to whom I gave the title of Literary Editor, took the rough sketches given to her and polished them into well written articles.

Candy Battle did a mighty fine job handling the Beauty Parade. For the first time (in many a year, at least) the beauty parade was held entirely on the campus. Many unexpected problems arose but thanks to Candy they were all straightened out. Dolly Williams and Betty Jane Evans made good flunkies for Candy and helped the parade in many ways. Credit also goes to Mrs. Davis, Mrs. Hamrick, Mrs. Russell and Miss Sellers for the beautiful decorations and arrangements at the banquet.

Another job well done was that of the business manager, H. R. Caufield. He found ad selling hard this year but his unfailing energy proved sufficient to sell the required number. Frank Little and Berton Gray were continually standing by to do whatever popped up to be done.

To faculty advisors Dale and Baxter apologies should be extended for disturbing them with the burdens and problems which came up from day to day. They were always patient and

DUB EDWARDS

ENTRE NOUS

offered helpful suggestions. Without the help of Joe Aloia, the photographer; Bob Faerber of the Alabama Engraving Company and Orville Lawson of Birmingham Printing Company, this book would still be a pine tree in somebody's woods.

These have worked together and made your ENTRE NOUS. We hope you like it.

THE HOWARD CRIMSON

Robert Weaver, editor-in-chief of the HOWARD CRIMSON, working with Mr. Marvin Osborn and Mr. William Baxter, CRIMSON faculty advisors, is to be commended for the timeliness of his news, for his unfailing efforts and success each week in getting the CRIMSON ready for distribution so punctually on Fridays, and for the superior quality of his newspaper. Congratulations are likewise in order to Lance Anderson for his well written column, "Obtuse Angles" and to Ben Windham for his inspiring editorials. Other widely read columns were those regarding sports, social and religious activities. The question of the school year, "Who writes Sherman's Acorns?", still remains unanswered. Nevertheless to this writer we say, "Well done—your secrecy and your column." Journalistic ability on Howard's campus finds expression in the CRIMSON. Whether it be the latest news on veterans or new teachers or merely a fragment of gossip about the girl most recently penned—if it happens, it finds its way to the columns of the CRIMSON. Primarily the CRIMSON serves as an information bureau for alumni, students and faculty.

THE BULL PUP

In the fall quarter this year to reach a decision on whether the BULL PUP would be published in years to come, it was necessary to submit an amendment proposing its discontinuation to a vote of Howard's student body. The results of the vote evidenced not only the dependence of the freshmen but also that of the upperclassmen upon this guide book.

Included in the BULL PUP were the college calendars for four quarters, names of the administrative staff of Howard, names and locations of Howard's buildings, beneficial hints to freshmen, general dormitory regulations, library rules, requirements and information of every campus organization and identification of student publications. Those responsible for the BULL PUP produced a most original and outstanding work.

STUDENT DIRECTORY

Indisputably the STUDENT DIRECTORY is Howard's most useful publication. If you don't believe it, just lose it for a week and count the times you would refer to it. It is published annually by the Gamma Chi Chapter of Alpha Phi Omega Service Fraternity and the Howard College Student Government. William F. Bledsoe, editor; George Y. Williams, business manager and George Bannister, assistant editor, with aid from all the members of A.P.O. produced the 1948-49 edition while the Student Senate helped to finance the publication. This year's directory includes a complete list of names, home addresses, local addresses, telephone numbers and classifications of every student and faculty member at Howard. The names and telephone numbers of dormitories, barracks, fraternity houses and sorority house are found on the second page.

ELECTRA

"Electra" by Sophocles. The beautiful, modern-idiom translation by Frances Fergusson, helped to make this 2400 year-old Greek Tragedy a hit of the summer quarter. The fine performances by Mary Jo Brown in the title-role, and Martha Martin as Clytemnestre, the excellent work of the speaking chorus, and the beautiful and effective scenery designed by Bert Snellings—all these conspired to make "Electra" a tingling, absorbing production.

HOWARD MASQUERS

THE LITTLE FOXES

"The Little Foxes" by Lillian Hellman. A fine, if unpleasant, play was brought to life for five performances in November. The cast, composed half of veteran Masquers, half of new-comers, achieved a remarkably high level of group-acting, to make vivid individuals of each member of a greedy, rapacious family.

MANY MOONS

"Many Moons" by James Thurber and Charlotte Chorpenning. The Masquers produced this, in December, especially for the Birmingham Junior Program Series. This fantasy, about the Princess who wanted (and got) the moon, was primarily aimed at a children's audience. But children of ALL ages found it delightful.

PRESENT...

HISTORICAL SKIT

One of the Masquers extra projects, last fall, was the production of a historical skit entitled "The Past Is Prologue To The Future". This was done at the request of the Associated Industries of Alabama, for their annual convention, and repeated for the Southern Sales Conference at Phillips Auditorium.

Classes

During the year at Howard I became very good at one thing, dodging feet. Just when I would get settled to enjoy some rest and sometimes some sunshine, classes would be over and students would swarm out of the Science Hall, Main and Riley. It wasn't safe for a self-respecting worm to be out at times like these. With my keen eyes, I observed that most of the time the students' feet skipped along without a care in the world but every now and then their feet would drag unhappily as if trouble was brewing. I could hear talk of tests and exams, but everybody seemed to live thro' them. I would always tell myself during these times, "Wally, this going to college would be fine if it wasn't for one thing, going to classes."

Beauties

When time came for the annual Beauty Parade I grew accustomed to seeing a pair of legs make frequent trips across the campus to Renfroe. When I looked at the face belonging to these legs I recognized a lad called "Candy". He seemed to have a rough time getting things under way but did a good job because things went smoothly the nights of the preliminary and final judgments. Being a good judge of beauty myself I knew that the judges would have a hard time picking the girls to go in the book the moment I saw the twenty-seven beauties. But after seeing the girls that were selected I felt that Tom Moore had a pretty keen eye. I sez to myslf, "Wally, there sure are pretty girls on this campus."

Greeks

The Greeks had a progressive year. In my regular squirms around the campus there was one section in which I could always find a bit of life. Along Sorority Row I could hear strains of music mixed with happy laughter floating out onto the campus. The male Greeks did pretty good for themselves, I saw the Snakes move into their nest, warmed myself at the Pike house warming and witnessed the installation of the Delta Sigs. The Pi Kappa and Lambs weren't asleep either. In my scrutiny of campus life I found that whenever anything was to be done to give Howard's School Spirit a boost the fraternities and sororities were doing their best to help. "Wally," Sez I, "These Greeks are a co-operative group."

Seated: Murphree, Mobley, Griffin, Jacks
Standing: Berrey, Harrell, Whitehead

PAN-HELLENIC COUNCIL

The purpose of the Pan-Hellenic Council is to co-ordinate campus procedure among the sororities. If there has been any hair-pulling among the girls who were chosen to serve on the Council this year we have not heard about it. On the contrary, the girls, led by Joyce Griffin have worked together to give the sororities a definite set of rush rules. They published a handbook and gave teas to accomplish this purpose. The group has encouraged higher scholastic standards among sorority members, and inspired by a great year, they look to the future with hope.

INTER-FRATERNITY COUNCIL

The Inter-Fraternity Council has the same purpose for the fraternities as the Pan-Hellenic has for the sororities. This year the Council worked out rush schedules and completed a schedule of events for the fraternities. The Council, led by Cecil Reid, worked in harmony this year to sponsor many events. Everybody enjoyed the water-melon cutting the group gave under Sherman Oak in the Summer Quarter.

Alpha Delta Pi Officers

Alpha Delta Pi, founded at Wesleyan College, Macon, Georgia, in 1851, is the oldest women's social organization. It is also the oldest on Howard's campus, the Kappa Chapter being founded in 1919. It has moved consistently forward through the years. This year many of the A.D.Pi's have stood out in our campus life, and they led the sororities in scholastic ratings for the past five quarters. They were presented a silver service for this achievement at their National Convention. All has not been dull with the girls, however, as their social life was filled with events such as their Diamond Banquet, and their "dance of the year" held during January.

BETA SIG OFFICERS

Beta Sigma Omicron sorority was founded at the University of Missouri in 1888. The Beta Beta chapter was chartered in 1933. This year the Beta Sigs saw one of their members, Martha Anne Ingram reach third place in the Miss America contest. Others reached great heights in college achievements on our campus. Jean Jacks, their president, was selected Dream Girl of Pi Kappa Alpha; Bernice Donaldson gave a sterling performance in the lead of "The Little Foxes"; and this could go on and on. It has not all been serious with these girls, however, for this year's social life has been full indeed, the highlights being so great as to give them all memories which will linger for years to come.

Delta Zeta Officers

Delta Zeta was founded at Miami University, Oxford, Ohio, in 1902, the Alpha Pi Chapter being installed in 1925. Led this year by Helen Harrell, the D.Z.'s combined a good time with serious scholastic achievements and had a great year. The girls have been members of many of our campus organizations. Entertainment has been of a grand variety with a French Salon party, Christmas Dance, and a unique Pledge-Active party leading the list. The Delta Zeta's will always have good years as long as they say: "As a girl prepares herself for the future, whether it be for a career or home-making, the D.Z. who wears the golden lamp tries to exemplify the true ideal of a college co-ed."

Phi Mu Officers

Phi Mu was formed from a society called the Philomathean at Wesleyan College, Macon, Georgia, in 1852. Alpha Gamma Chapter was founded at Howard at the request of the faculty in 1924. Members of the sorority are found in many campus organizations and have a high scholastic rating. Beauty ranks supreme among the girls, as evidenced by the fact that they had six members in the beauty parade; the only Howard representative in the Maid of Cotton Contest, Billie Ruth Adwell; and Queen of the Dixie Bowl, Peggy Baker. Highlights of the year for the Phi Mu's were their Valentine Tea and their Rose and White Ball.

The Delta Sigma Phi Fraternity was founded in 1899, in New York City among the students of the College of the City of New York, Columbia University, and New York University. The Beta Chi chapter was established at Howard in the fall of 1948. This year has been a busy and thrilling one for the men of Delta Sig. Progress has been steady as the fraternity joined in a national building program, and if a good foundation is the basis of steady progress, the Delta Sigs are on their way to success. This is the "premier" edition in publications for the Delta Sigs, and we of the Entre Nous take pleasure in welcoming this organization to our campus. We challenge them to do as much to fulfill their purpose in the coming years as they have done this year.

Lambda Chi Alpha was founded at Boston University in 1902, the Theta Alpha Chapter being chartered at Howard in 1939. Spurred by a program of fraternity building, social uplift, academic achievement and intra-mural leadership, the Lambs have gone forward this year. Led by Boyd Barnard and inspired by Davis O'Kelley they walked off with many scholastic honors. A good eye for beauty saw them select Peggy Baker and Billie Ruth Adwell as Dream Girls. Their social peak was attained when they joined hands with the Birmingham Southern chapter to stage a "Lambda-Crat Convention".

Pi Kappa Alpha Fraternity was founded at the University of Virginia in 1869, the Howard Alpha Pi Chapter being established in 1911.

Years have come and gone for the Pikes, but not many have seen them buy a house; go 120 strong to Laguna Beach, Florida, for a houseparty; choose a sweetheart that ranked third in America's beauty; rank high in intramural sports; and stage enough social events to fill a book. Yes, congratulations are in demand for Ellis Wanninger who has been leading the boys in these accomplishments.

Pi Kappa Phi was founded at the College of Charlestown in 1904. Since 1925, when the Alpha Eta chapter was installed at Howard, it has not failed to contribute much to the social life on the campus. Their participation in all phases of college life has placed them in positions of esteem and recognition. As always, the Pi Kapps took an active part in the intramural sports, doing their share toward furthering our school spirit. Their parties will be remembered among the social highlights of the year. Congratulations are in order to Curtis Croft, president, and to Beverly Knight, their dream girl, for her efforts in behalf of the fraternity. May the star and lamp of Pi Kappa Phi continue to shed its light on our campus.

GENE GWIN	<i>Commander</i>
DON WYATT	<i>Lt. Commander</i>
MORRIS BATTLE	<i>Recorder</i>
BILL PEEPLES	<i>Treasurer</i>

The Sigma Nu fraternity was founded at Virginia Military Institute in 1869, the Iota Chapter being established in 1879. This classifies the Snakes as the oldest Greek letter fraternity on the campus. Age has not stalemated the Snakes, however, as is seen by the progress this year under the leadership of Gene Gwin, their hard working commander. Preparing for the future, they secured living and meeting quarters in a house near the campus, and if the future is like the past, the Snakes will be continually progressing.

Sports

There were a couple of places on Howard's Campus that I discovered were unsafe for a worm to be, Berry Field and the Gymnasium. Something was continually happening at these two places. I got several glimpses of the Sportsmen as they practiced for their games. From my point of view those boys deserve a big hand for building a football team without any support from the school and very little from the students. I wormed my way up to the gym often during basketball season and watched the Bulldogs play their games. They didn't win them all but they were always trying. The intramural program was good and a large number of students participated in the various contests. I told myself, "Wally, Howard has an active sports program, it sho' would be fine if the Sportsmen's Club team could be turned into a real varsity outfit."

COACH CORNISH

COACH ROBERSON

MRS. COCHRAN

The COACHES

COACH CORNISH:

Howard's gain was Furman's loss, when Coach Clayton Cornish came to direct our athletic activities. He brings with him an outstanding record in athletic ability and leadership. He is a graduate of Louisiana Normal College where he lettered in four major sports. After coaching several years in Louisiana high schools, Coach Cornish went to L.S.U. in 1942 as instructor in Physical Education. In 1945 he moved to Centenary College as director of P.E. and basketball coach. Furman University secured his services in 1947, as director of P.E. and track coach. After making outstanding records in every undertaking he came to Howard this year to direct our physical education department and coach the Bulldog trackmen. Coach Cornish received his master's degree in physical education in 1941. He will obtain his Ph.D. as soon as he finishes his thesis. Many fine improvements have been made in physical education at Howard since Coach Cornish joined our faculty.

COACH ROBERSON:

Coach Herman Roberson, Howard's able and likeable basketball coach and assistant physical director, has completed his second year on the Howard athletic staff. He received his bachelor's and master's degrees in physical education at the University of

Alabama. For three years he was an outstanding member of the Crimson Tide quintet. Serving in the Navy during World II as a fighter pilot, Coach Roberson had extended overseas duty at Saipan and sea duty on the Shangri-La. Returning to civilian life in 1945, he went to Sylacauga, Alabama, to coach basketball at B. B. Comer High School. Coach Roberson has done much in furthering Howard's athletic program, both on the field and in the class-room. He deserves much credit in moulding our Bulldogs into a scrappy, smooth working machine.

MRS. COCHRAN:

Mrs. Lillian Cochran, like Coach Cornish, has completed her first year at Howard. She is a graduate of Birmingham-Southern College, where she established an excellent record in physical education activities. In 1947-48 she served as women's athletic director at Livingston State Teachers College. Howard is fortunate to have such a competent and amiable person at the head of its physical educational program for women. She has built a smooth working intramural program, maintaining keen competition in both team and individual sports.

CHEERLEADERS

Cheerleaders for
1948-49 were:

Front Row: Beverly Knight,
Sue Jones, Mary Vesta Barnard

Back Row: James Marbut,
Wilbur Beckers, Preston Barclift

TEDDY McCRARY

JOE CUFFARO

FOOTBALL

COACHES

Line Coach Teddy McCrary and backfield Coach Joe Cuffaro worked simultaneously in moulding the Sportsmen into a formidable gridiron machine. Coach McCrary was on the staff at Marion Military Institute before coming to Howard. Coach Cuffaro, one of our pre-war Bulldog stars, returned to his Alma Mater to aid in moulding our first post-war eleven.

The SPORTSMEN

Howard again returned to gridiron warfare this fall with a team organized and backed entirely by students and friends who believed in football at our school.

The Sportsmen's Club was organized during the summer, officers were elected and a constitution formed. The officers elected were: Jack Green, president; Ellis Wanminger, treasurer; Eugene Daughtry, business manager; and Earl Brown, publicity director. These officers worked hard and through their efforts a schedule was completed and new equipment was purchased.

Teddy McCrary and Joe Cuffaro were secured as coaches, and practice was begun. George Zbinden, tackle and senior from Dothan was elected captain of the team, with Jim Stivender, senior quarterback from Tuskegee being elected alternate captain.

We take our hats off to these boys who believed in having football at Howard and sacrificed their time and energy to give us a team.

at HOWARD

AND MANAGERS

Long and strenuous hours were spent by our coaches in mapping strategy both on the practice field and behind closed doors. Their untiring efforts produced results, the Sportsmen were invited to play in Bessemer's first annual Santa Clause Bowl on December 17, and emerged victorious.

MANAGERS:

Malcolm Miller and Roy Vance, both juniors from Birmingham, did an excellent job of looking after equipment and doctoring minor cuts and bruises for the Sportsmen.

MALCOLM MILLER
and ROY VANCE,
Managers

THE SPORTSMEN

Tony Romeo, End; George Zbinden, Tackle; Charles Rush, Guard; Carl Roberts, End; Gene Murphy, Quarterback; Jesse Meeks, Halfback

RESUME OF THE

HOWARD O, ATHENS 20:

The Athens College Golden Bears defeated the Sportsmen in the season's opener before 3,000 spectators in the Athens stadium. Although the Sportsmen gained more ground than did the Bears, intercepted passes and blocked punts slowed their advances. Our team showed a hard charging line and a swift deceptive T formation backfield.

HOWARD 14, CRAIG FIELD 7:

Howard found its needed scoring punch in the final quarter by pushing across two lightning like touchdowns, overcoming a seven point lead.

Tony Romeo scored the Sportsmen's first tally of the season when he gathered in a 20 yard pass from Jim Stivender and galloped across the final chalk mark. Jesse Meeks scooted 10 yards through right tackle for the final clinching T. D.

HOWARD 9, JACKSONVILLE BEES 6:

Before a home town crowd in the Woodlawn High stadium, the flying Sportsmen rang up their second straight win. End Tony Romeo scored the lone Howard touchdown on a 26 yard pass from Jiggs Stivender, he also tackled Jax halfback Joe Rutland behind his own goal to give the Sports-

Bill Prentice, Center; Ivan Leonard, Guard; Herby Hanes, Tackle; Howard Foote, Fullback; John Wade, Tackle; Jimmy Attaway, Guard

SEASON

Meeks goes around end
against Jacksonville Bees

men an additional two points. The entire Howard line played a bang up game in repeatedly throwing the Jacksonville backs for losses at opportune moments.

HOWARD 0, LIVINGSTON BEES 28:

The Tigers of Livingston clawed hard and changed a slim 7-0 half-time margin into a 28-0 victory over the Sportsmen. The tiring Sportsmen battled hard, but the vicious passing attack featuring John Liptak and Billy Young spearheaded three second half scores. Jim Stivender, quarterback, was lost for the season, suffering a broken leg.

Taylor Kincannon, Center; Charles Maze, Guard; Charles Graham, End; Durwood McAllister, Center; Melvin Lovette, End; Lee Calton, Tackle

RESUME OF

Meeks nabs Sportsman pass
in Santa Clause Bowl

HOWARD 13, TROY BEES 6:

Led by the brilliant passing of Rod Murphy to Tony Romeo, the Sportsmen chalked up their third victory in a sea of mud on Berry Field. Frank Oliver, Howard scatback, played his best game of the year as he scooted up and down the slippery gridiron for several long runs. Howard Foote compiled a brilliant punting average of 46 yards per try with the slippery and heavy pigskin. HOWARD 6, LIVINGSTON BEES 14:

The powerful Tigers of Livingston drubbed the Sportsmen for the second time during the season in a game played in the Fairfield High stadium. The Sportsmen started strong and climaxed a

Jim Stivender, Quarterback; Sam Page, Fullback; Durwood Davis, Halfback; Wesley Greek, Halfback; Jim Wyatt, Guard; Jack Biddle, Halfback; William Calton, Tackle

THE SEASON

long drive when Howard Foote bulled his way over the goal to give Howard a 6-0 lead. Livingston unveiled a strong attack in the second half and netted two touchdowns to defeat our clubbers. Romeo and Greek were lost for the remainder of the season because of broken bones.

HOWARD O, JACKSONVILLE VARSITY 14:

Playing their best game of the year, the Sportsmen bottled the powerful Jacksonville Gamecocks to an almost complete standstill. The Sportsmen took the opening kick off and marched 68 yards to the Jax one yard line, but failed to cross the goal. Jacksonville clung desperately to a 7 point

lead for 59½ minutes, only to intercept a desperate Howard pass in the final 30 seconds to score the second touchdown and insure victory.

**HOWARD 26, JACKSONVILLE BEES 19;
SANTA CLAUS BOWL**

A thrill packed game was viewed by the spectators as the Sportsmen defeated the Jax Bees in a wild scoring affair which was full of action until the closing whistle. The lead changed hands five times during the game before the Sports finally went ahead in the fourth quarter to stay. The whole Howard team played inspired football throughout the entire game.

COACH ROBERSON AND MARVIN GANN

BASKETBALL

their stride against the Panthers from the college across town.

Our "battling sophomores", even in the face of overwhelming odds, were sometimes defeated but never outfought. Their speed and endurance brought victory our way in many of the battles before the season had ended.

The play of Marvin Gann, sharpshooting forward from West End; Roy Anderson, former Jacksonville State Teachers Ace; Beamon Sparks, towering center; Harold Parks, former all-state performer from Scottsboro; James Guyton, long shot specialists from West End; and Gerald Dorsky, scrappy little ball hawk, certainly brought much pleasure to Coach Roberson during the season.

The 1948-49 edition of the Howard Varsity basketball team was one of the greenest fives ever fielded by the Baptist Institution. Gone were last year's stars such as Gartman, Dean, Maddox, Wadsworth, Lowery, Merk, Ball and Sisson.

The Bulldogs, under the patient guidance of Coach Roberson, started the season against such powers as Auburn, Georgia Tech, Tulane, Loyola and Alabama. After gaining much experience by facing these formidable foes, our Dogs hit

After a slow start, our cagers came along fast to give us many tense and exciting moments during an extremely strenuous schedule. Congratulations are in order to all our cagers who fought every minute of the way, and to Coach Roberson for a tough coaching job well done.

ROY ANDERSON

MARVIN GANN

BEAMON SPARKS

The PLAYERS

Howard won this Cat and Dog fight

ROY ANDERSON:

Undoubtedly one of the scrappiest players in Howard's history. Roy is a quick thinker and very elusive and deceptive on a fast break. He has the deadliest left handed shot on the squad.

MARVIN GANN:

Marvin turned in a sparkling performance in every game. He was always rough on opponents with his accurate push shots and saved many goals with his following ability under the baskets.

BEAMON SPARKS:

"Big Red" used his six and a half foot frame to great advantage under the baskets. He was our best in following shots and tipping in rebounds. His pivot play was outstanding during the entire season.

HAROLD PARKS:

"Little Red" returned after a year's layoff and quickly regained his form which brought him all-state honors at Scottsboro High. He was the shiftest man on the court, always being a threat with his talented scoring ability.

JAMES GUYTON:

Guyton came up from last year's "B" squad and proved immediately his basketball ability. He was one of our leading defensive players, along with being a deadly set shot artist.

GERALD DORSKY:

Gerald was one of the four lettermen on this year's Dog squad. Although not a high scorer, he makes up for points with his canny defensive tactics and tricky maneuvers. A good team player.

Sparks racks two points against Southern

HAROLD PARKS

JAMES GUYTON

GERALD DORSKY

Tiders and Dogs scramble after the ball

HOWARD'S

BILL PEEPLES:

An excellent defensive man, "Peep" was always putting his best in the game. The former Woodlawn High star played his last at Howard this year and will be sorely missed next season.

BENNY JAMES:

"Benny" came from the bluegrass of Kentucky and added scoring punch to our Bulldogs with accurate long shots from his guard position. He is a capable ball handler and constant scoring threat.

JOE DOUGHERTY:

"Little Joe" has played his fourth and final year on the Bulldog squad. What he lacks in size he makes up in speed and ability. He will be missed next year.

BILL PEEPLES

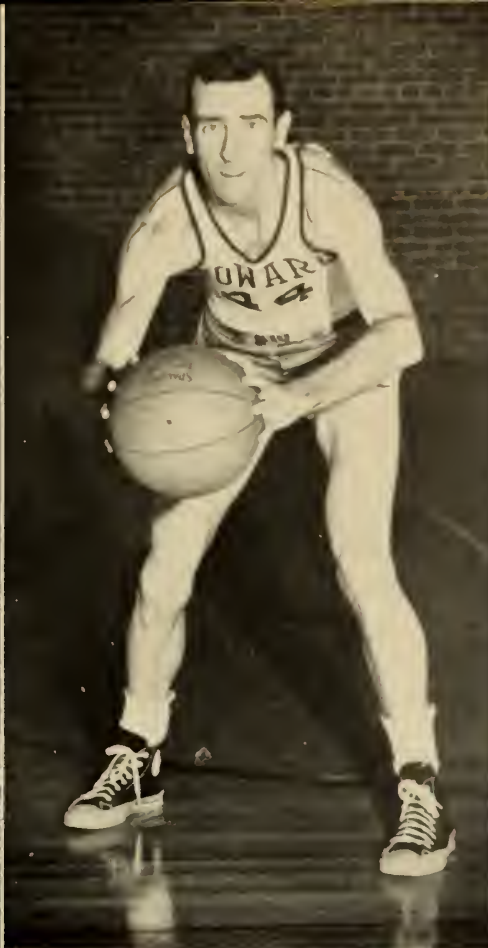

BENNY JAMES

JOE DOUGHERTY

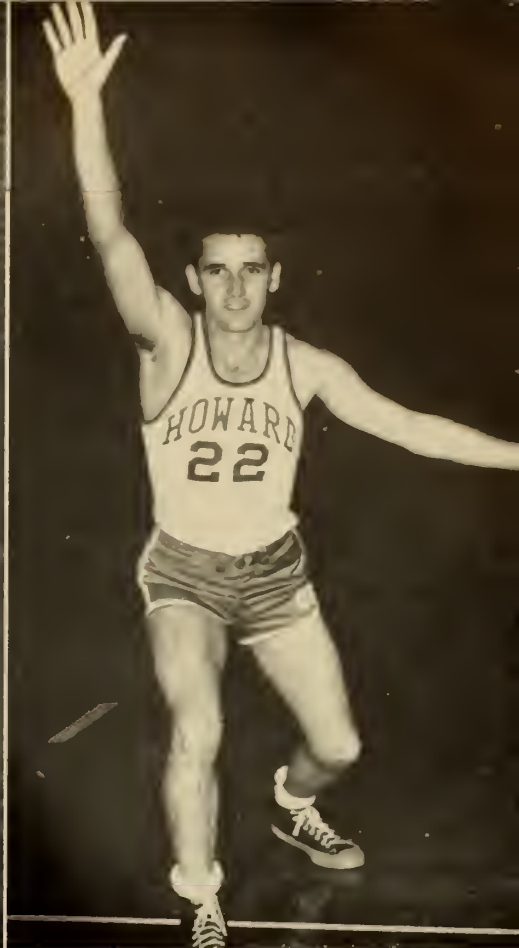

JULIUS POPWELL

TOMMY TUCKER

DONALD BEAIRD

PLAYERS

JULIUS POPWELL:

"Pop" developed into a valuable man to have around. He is good with his leaping push shots and ball hawking ability. Great things are expected from the "Clanten Flash" during his remaining two years.

TOMMY TUCKER:

Tommy is an aggressive player and constant ball hawk. Although small in stature for the center position, "Tuck" always turned in a sparkling and refreshing performance.

DONALD BEAIRD:

"Don" is also up from last year's "B" squad. A former Phillips High ace, he is good in defensive play and ball handling. He turned in a good performance whenever called upon for service.

Gann sinks two as Southern's Oxford watches

TRACK

Howard can justly be proud of its fine track team, which, under the able guidance of Coach McCarver, compiled the best record established in many years by a Bulldog cinder squad.

Completing a grueling schedule which included such track powerhouses as: The University of Alabama, Mississippi State, Mississippi College, Mercer and Emory, our Bulldogs emerged victorious in three of their five meets, losing only to the two Southeastern Conference Powers State and Bama. Our Bulldogs also competed in the tough Florida Relays held in Tallahassee, and the Southern Relays staged in Legion Field.

The 1948 Howard team included such stalwarts as: Captain Farrar, Kremer, Oliver and Flurry in the dashes; Guyton, Bentley and Sharp, distance runners; Ed and Bill Fullington in the hurdles; Beard and Meeks, pole vaulters; Tucker in the high jumps; Kremer and Tucker, broad jumpers; Guyton, Meeks, Flurry and Farrar, expert mile relay team; and Calton, Foote and Murphy with the weights.

Kneeling: Beard, Kremer, Fullington, Oliver
Standing: Guyton, Meeks, Calton, McCarver, Fullington, Flurry

*Kneeling: L. Murray, Lowery, Merk
Standing: Peeples, Ball, J. Murray*

*Kneeling: Kincannon, Dean;
Standing: Payton, Perry, Dawson*

TENNIS

Under the able leadership of coach and captain Mickey Merk, the Howard tennis team engaged a rather successful season. The Bulldog netmen showed great strength in defeating such foes as the strong L. S. U. aggregation, Memphis State, Mercer, Maxwell Field and Marion Institute. Losses were suffered at the hands of Birmingham-Southern, Spring Hill and Maxwell Field. Our team was composed of John Murray, Bill Peeples, Pap Ball, Captain Mickey Merk, Emory Lowery and Lou Murray.

GOLF

In fielding Howard's first post war golf team, the Bulldogs emerged victorious in four of their five intercollegiate matches. In two duals between the strong Maxwell Field team, our linksmen met defeat on both occasions. Members of the team were: Jack Payton, Taylor Kincannon, V. J. Perry, Miles Dean and Fred Dawson.

"H" CLUB

The "H" Club is composed of all the male athletes on the campus who earn a letter in a major sport and merit the approval of the general body. Its purpose is to encourage good sportsmanship on the part of the athletes and to give direction to their social activities. Since we do not have school supported football

most of the wearers of the "H" are members of the basketball and track teams. Each year the Club, in cooperation with the coaches and intramural program, selects an outstanding man from intramural sports and elects him as an honorary active member. This year the club had a hard time deciding between two men, so they took them both, they are Melvin Lovette and Jim Stivender.

Officers of the club are: Joe Daugherty, president and Donald Beard, vice-president.

The H Club Initiates

Miriam Durham,
ping pong champ

Ailene Still, tennis and
badminton champ

WOMEN'S SPORTS

The W.A.A. had as its main project this year the sponsoring of both major and minor sports—volleyball, basketball, softball, ping pong, tennis and badminton.

The seven teams who participated in these tournaments were: Alpha Delta Pi, Beta Sigma Omicron, Phi Mu, Delta Zeta, Renfroe, Town Girls, and Faculty. This is the first time in several years that the faculty has sponsored a team to compete in the complete tournament and everyone watched them with interest. All the tournaments were interesting and hard fought. Competition was keen with all the organizations backing their teams with cheering squads. This year can be chalked up as a highly successful one in girl's intramural sports.

Town Girls' championship softball team

Renfroe's winning volleyball team

BASKETBALL *is* POPULAR

The girl's intramural basketball league got off to a good start this year with the strong Phi Mu team taking on the much feared Renfroe aggregation. The Phi Mu's put up a scrappy fight but to no avail, Renfroe won the game and went on to lead the league all season. The Phi Mu team came in second, losing only to Renfroe.

ALPHA DELTA PI TEAM

PHI MU TEAM

BETA SIGMA OMICRON TEAM

RENFROE TEAM

at HOWARD

All the teams had their share of good players and many exciting games were played. The spirit of participation and competition was greater this year than it has been in the past and fighting spirit was shown by all teams.

Among the outstanding players were Miriam Durham and Jane Bratten for Renfroe; Joyce Baker, Peggy Baker and Ailene Still for Phi Mu; Xanthi Hahamis for the Town Girls; Lilian McGhee for Freshmen Girls; Betty Carpenter for Beta Sigma Omicron and Dot Hayes from Delta Zeta.

INTRAMURAL FOOTBALL

Berry field was a mass of activity during the fall quarter, when Howard staged one of the best intramural football leagues in its history. Many startling upsets furnished thrills aplenty during the hectic season, thus making a very exciting and thrilling season. The strong Pike team, after a bitter struggle with the H Club and Snakes, emerged with the championship. The final standings were:

<i>Team</i>	<i>Won</i>	<i>Lost</i>	<i>Tied</i>
Pi Kappa Alpha	5	0	2
Sigma Nu	5	1	1
H Club	4	1	2
Lambda Chi Alpha	4	3	0
Preachers	3	3	1
Woodlawn	2	4	1
Mu Alpha Nu	1	6	0
Pi Kappa Phi	0	6	1

PI KAPPA ALPHA TEAM

H CLUB TEAM

SIGMA NU TEAM

LAMBDA CHI ALPHA TEAM

and BASKETBALL

Intramural basketball at Howard is always of the finest quality, and this year was no exception. As ever, the games were well played, hard fought and extremely exciting from start to finish.

Something new was added to this year's play—so many teams were entered in the tournament that two leagues were formed. The fraternities were formed into the Red League and the independants into the Blue League, with a Shaughnessy playoff at the close of the season.

The outstanding teams for the red league were: Pi Kappa Alpha, Lambda Chi Alpha and Sigma Nu. Other teams in the league were: Delta Sigma Phi and Pi Kappa Phi. The leading teams for the blue league were: Alpha Phi Omega, Sportsmen and Preachers, other teams in this league were: Vet Barracks and Kappa Phi Kappa.

Organizations

One thing about this campus, there is never a dull moment. There is always an organization having a meeting somewhere. As I looked over these organizations, some of them scholastic, some professional, some fellowship, I got the feeling that maybe Howard is over-organized. But as I saw how the students took interest in them, how they learned to work with other people and how they developed leadership, I decided that organizations are as much a part of one's education as classes. "Wally," I remarked to myself, "There are organizations aplenty on this campus, and most of 'em seem to be accomplishing something."

Trident, the zenith of accomplishment for men on Howard's campus, has as its aim to choose men who are leaders in all respects; to honor men who prove themselves in college activities as well as in scholastic ability.

Each spring, one of the highlights of our campus is the tapping ceremony of Trident, at which time men from the Junior Class who meet its standards in the fields of scholarship, leadership, and esteem of students and faculty, are asked to join its ranks.

OAKS

The Oaks Leadership Society was founded in December, 1947, as a petitioning group for Omicron Delta Kappa, national leadership fraternity. Oaks gives recognition to men who have demonstrated outstanding leadership in collegiate activities. During 1948-49 the Society completed requirements for its petition for national status, and put into effect a recognition program designed to encourage lower classmen to participate more actively in student affairs. Selection of new members for Oaks is based on worthy accomplishments in the various fields of campus life.

WHO'S WHO AMONG STUDENTS in AMERICAN COLLEGES and UNIVERSITIES

Each year in the newspapers we see the names of the ones selected from the student bodies of the colleges and universities of our country, who hold a coveted place on the list of "WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES". Likewise, at Howard several students are selected who fulfill requirements necessary for this group. The Dean of the College submits a list of candidates, who have completed their junior year and have met the requirements, to the department heads for approval or rejection. The people shown here are those selected by this method.

First Row: Benjamin Ball, Earl Butler, Dub Edwards, Jean Daugherty, Joyce Griffin; *Second Row:* Elizabeth Gwin, Helen Harrell, Milly Hughes, L. T. Robertson, James Stivender; *Third Row:* Edith Van Kuren, Arthur Walker, Billy Joe Ward, Bob Weaver, Ben Windham

The Wesleyan Foundation, composed of Methodist students on Howard's campus, is an organization of unity and high ideals. The chief purpose of this organization is that of seeking knowledge of God and how we as Christians can more closely associate ourselves with his ideals.

The weekly meeting on Sunday evenings at the East Lake Methodist Church are fashioned as a round-table discussion with a member in charge. In this way everyone is able to verse his own opinions.

It is an honor to be a member of this group of college people who have such a magnificent Church and loyal members to work with and call friends.

Missions in Action

The MISSION BAND

The Howard Mission Band is composed of students who band together voluntarily to promote the cause of Christ. Its motto is "Christ in You the hope of glory" (Col. 1:27). Membership is open to any student who is interested in missions, either as a full time worker, or as a supporter in furthering the cause of missions. The Band sponsors services at the Boy's Industrial School, white and colored Juvenile Courts, Mercy Home, T. B. Sanitorium, and various Sunday Schools for both white and colored children. The Mission Band, sponsored by Mrs. Sizemore is doing an excellent job in putting "missions in action".

Y. W. A.

Y.W.A. is composed of girls who live in the campus dormitory. The organization is sponsored by the Baptist Student Union. The girls who participate in its activities are trained, not only in the study of Christian literature, but to be better Christian leaders.

The highlight of its year's activities is the annual banquet given in Renfroe Hall. The purpose of Y.W.A. is to study in Christian fellowship and to promote Christian missions. An opportunity is given each year for the girls to fulfill this purpose through the Lottie Moon and Annie Armstrong offerings. In this manner the girls exhibit their love to all who are in need, which was indeed Christ's primary purpose.

The purpose of the Women's Athletic Association is to stimulate interest in the participation of intramural athletics among the women of our campus. It was reorganized in 1947 under the direction of Miss Helen Lewis, with Sara Rainer as president. The W.A.A. is composed of two representatives from each organization participating in women's sports, and the faculty advisor, who this year was Mrs. Cochran, Women's Athletic Director. This year the girls sponsored three major sports, basketball, volleyball and softball; and three minor sports, tennis, ping pong, and badminton. Nice going girls.

HARRY K. EDEN	<i>Treasurer</i>

Kappa Phi Kappa is a National Professional Education Fraternity. Its membership consists of students and faculty members who are interested in the advancement of professional education. The fraternity emphasizes scholarly attainment, the development of professional ideals, and social intercourse among its members. The purpose of Kappa Phi Kappa is to promote education by means of sound moral character and recognized ability, to engage in the study and practice of its principles and the solutions of its problems. The Alpha-Iota Chapter was installed at Howard in 1929 by the head of the education department, Professor W. E. Bohannon, and Mr. Charles Dobbins, a senior student at that time.

Pi Gamma Mu, a National Social Science Honor Society, was founded in 1924 at Southeastern College. The local group was chartered as the Alabama Gamma Chapter the same year. The purpose of Pi Gamma Mu is to inject the ideals of scholarship and social science into the study of social problems. To be eligible for membership, a student must have completed a minimum of thirty hours in the social sciences with at least a two point average. He must show an interest toward building a better society in which to live. Finally, he must be approved by the student members and the faculty advisors.

PSYCHOLOGY CLUB

OFFICERS

HENRY RAYMAKER..... *President*

WARREN PRESLEY..... *Vice-President*

OCIE FLATT..... *Secretary and Treasurer*

The Psychology Club was informally constituted in January, 1946. Its purpose is to make the psychology department a unified whole, and strengthen student interest in the field. The meetings are informal gatherings, in which students and faculty members discuss current psychological developments, new theories put forth in periodicals and books, and the program of the psychology department at Howard. Although the club is composed of individuals who meet specific Psi Chi requirements it invites all students who are majoring or minoring in psychology to attend.

Future Homemakers at Work

HOME ECONOMICS CLUB

The Home Economics Club is designed for the purpose of acquainting its members with their chosen profession: its history, the opportunities it offers, and ways in which they can better prepare themselves for service in its wide field of endeavor. Not only home economics majors but all girls interested in home economics are invited to join. As its basic purpose is fundamentally grounded in our domestic life, many have found it to their advantage to join this group. After meeting the requirements set by the girls themselves, a candidate is initiated into this organization. This past year their faculty advisor has been hard working Mrs. Herman D. Colvin.

COMMERCE GUILD

The Commerce Guild was founded in April, 1948. It is composed of business administration and economics majors who are interested in the field of commerce. Its purpose is to promote scholarship and fellowship through meetings, lectures, and social affairs. This year has been one of development for the Commerce Guild. The group has had forums, speakers, and student panel discussions in order to give students a better knowledge of business developments. Membership is open to all who are interested in commerce. Dr. R. R. Hardin, the faculty advisor, is to be commended for his efforts with the organization.

FRENCH CLUB

The French Club was organized on the campus in October, 1947. It was organized with the hope that it might serve as the forerunner of Beta Pi Theta, the national French honorary society. The membership is composed of those who have expressed an interest in French and France. The club holds monthly meetings, at which programs composed of skits and songs in French, and sometimes a French movie are given. Led this year by Arthur Walker and John Buchanan, and sparked by the enthusiastic faculty advisor, Mrs. Sizemore, the club has done much towards accomplishing its purpose.

ALPHA EPSILON DELTA

Alpha Epsilon Delta pre-medical fraternity honors by membership those pre-medical, pre-dental, and medical technology students who have high ideals, live nobly, and achieve scholastic recognition. The Alabama Beta Chapter, the second chapter of the fraternity to be organized, was established on Howard's campus in 1927. One of the main achievements of A.E.D. this year was to sponsor a chest X-ray for Howard students by the Jefferson County Anti-Tuberculosis Association.

AMERICAN CHEMICAL SOCIETY

The purpose of the student affiliate chapter of the American Chemical Society is to provide for the professional training of future chemists while their technical training is still in progress. Affiliation provides contacts with other members, facilitates the diffusion of chemical knowledge, and offers many social opportunities, often lacking in the scientific world. The American Chemical Society, numbering 60,000, constitutes one of our country's major assets. Its publications are the most important publications in the world of chemistry. Membership in this organization is cherished.

Kappa Psi Pharmaceutical Fraternity was founded at the Medical College of Virginia in 1879. Today it is the largest organization of its kind, and the only pharmaceutical fraternity recognized by the National Professional Inter-Fraternity Council. Gamma Zeta chapter was chartered at Howard in 1935, under the leadership of the late Dr. A. Richard Bliss. Now active with thirty-five members, it has as its purpose: to conduct a fraternal organization for the mutual benefit of the members; to inoculate the students with industry, sobriety, nobility, courage of heart and mind, and to foster pharmaceutical research and high scholarship.

AMERICAN PHARMACEUTICAL

The student branch of the American Pharmaceutical Association was organized on Howard's campus in May, 1947. Everyone who is interested in pharmacy is urged to join. The meetings are held the first Thursday in each month. The programs consist of guest speakers and movies which deal with problems of retail pharmacy. Socials are given to better acquaint the members with one another.

They say in pharmaceutical circles "that the future pharmacist will succeed only if the American Pharmaceutical Association succeeds, since the prestige and financial gains of the future pharmacist cannot progress unless he is organized."

Since 1852 the main organization has worked for and upheld high standards of professional practice. The student member receives a monthly magazine which is published to keep the pharmacist abreast of the times.

ASSOCIATION

There are student branches of this organization located at various schools of pharmacy throughout the country. Since Howard has one of the largest pharmacy departments in the United States, it is the desire of each member of this organization to have every pharmacy student a member of the student branch of the American Pharmaceutical Association.

OFFICERS

B. THOMAS SNELLINGS *President*

JOHN D. HARGROVE *Vice-President*

FRANK H. MAPLES, JR. *Secretary and Treasurer*

Kappa Pi is the oldest honorary art fraternity among colleges today. It was founded in 1911 at the University of Kentucky, by a group of art students who were more interested in their work than in their society. Originally, it is a club for the discussion of extra-curricular work, and the social pleasures of expeditions to study nature at first hand, and to do free-hand drawing.

The qualification of a prospective member is primarily congeniality, plus a deep and active interest in art. Howard was granted a chapter in 1940.

Artists at Work

LIBRARY CLUB

The Library Club, organized in 1948 under the direction of Miss Mabel Willoughby, is one of the newer clubs on the campus. The objectives of the club are: to promote better library-student relations; to foster interest in the library profession; to instruct in the organization, procedure and use of libraries; and to promote cultural affairs. At its meetings several outstanding speakers have appeared and several films have been shown to the group. Among the worthwhile projects of this club was a tea for members of the faculty, student body, the Jefferson County Student Library Club and the Birmingham Library Club. Membership is open to any student who is interested in books and reading, or in the library profession.

BOB RISELING	<i>Treasurer</i>

Masquer's Reception

Masquers, the dramatic society at Howard, has been the nucleus for dramatic productions for many years. The group is made up of students who have amassed six points and worked on two plays. The point system is a unique idea, among the Masquers, which gives points for being in plays and working back stage for productions. "The Little Foxes" was the outstanding production of this year. Other plays which scored big hits were "Electra" and "The Shining Hour". One can readily see that this group has done much toward the entertainment of the students at Howard.

RED CROSS UNIT

OFFICERS

JAMES MARBUT ————— *President*

BETTY JANE EVANS ————— *Vice-President*

PEGGY BAKER ————— *Secretary and Treasurer*

"Joy through service to others" is the primary purpose of the Red Cross Unit on Howard's campus. Strictly voluntary, it has proven itself to all students and interested persons. This has been done by donating blood, giving free swimming courses, presenting entertainment to hospital patients, sponsoring canning demonstrations, and making notebook drives for students of foreign lands. All of this was done under the direction of Jim Marbut and members who have made the Red Cross Unit a valuable organization on the campus. They welcome any one into the unit who would like to participate in the activities.

A CAPELLA CHOIR

OFFICERS

MILDRED HUGHES	<i>President</i>
CHARLES BUTLER	<i>Vice-President</i>
PERRY ANN PARKER	<i>Secretary</i>
PATRICIA TRENT	<i>Treasurer</i>

Students who have the necessary musical requirements are chosen to be in the A Capella Choir. Ably led by Mrs. Martinson, members are selected, trained and presented in such a manner as to make us proud. Although hours are spent on auditions, (the method in which the choir is selected), and training, we see only the finished work of the choir. But we know they have been adequately prepared, for whether they appear in public or furnish inspiration and entertainment in chapel, their presentation is always tops. This group climaxes its year by presenting a concert in the spring. As this year ends and others roll by, we can look back on the A Capella Choir with pride and recall moments of relaxing enjoyment which they have provided.

ALPHA PHI OMEGA

Alpha Phi Omega is a National Service Fraternity consisting of 165 chapters on college campuses throughout the United States. Its purpose is to assemble college men in the fellowship of the Scout Oath and Law, to develop friendship, and to promote service to humanity. We at Howard have seen these grown-up boy scouts put this purpose into action. They spent many hours in order to furnish each of us a Student Directory and their "Ugly Man Contest" is always good for at least \$400 for the March of Dimes. Praise is due to Howard Foshee and Otis Williams who have ably led the group this year.

ADVERTISERS

... AFTER

FOUNDER'S DAY

Howard's 107th birthday was commemorated this year with a program sponsored by the Howard Auxiliary which featured Dr. Solon B. Suddeth as the main speaker. Dr. Suddeth is a class of '29 graduate of Howard and is now the head of the department of physical education at Peabody College in Nashville. He traced the history of Howard since its founding in 1842 and told of such events as the time when the lower part of the campus was planted in peas to help feed the dormitory students.

UGLY MAN CONTEST

The Ugly Man Contest, sponsored by Alpha Phi Omega for the March of Dimes, was a great success this year. Malcolm Miller, representing the Pikes, was chosen the ugliest man on Howard's campus. The Pikes raised \$224.00 of the \$463.00 total.

DEADLINE EVENTS

GAY 90's PARTY

The Gay Nineties Party which was planned by Mrs. Cochran's recreation class and financed by the Student Senate was thoroughly enjoyed by everyone. Skits were presented by various organizations and awards given to the best co-ed's skit and the best men's skit. The awards were won by the Phi Mu Sorority and the H. Club.
